

Flying Kites is a vibrant Christian primary school serving the community of Kapiri Mposhi in central Zambia. The school is proud to be part of the Vinjeru Trust School.

The school currently has 200 pupils and we are growing every year.

Our passion is to provide excellent education to give our students the best start in life. The Zambian curriculum is augmented with additional content to ensure that each child develops physically, mentally, spiritually and socially.

What is special about Flying Kites?

- Ÿ The children are taught in small classes**
- Ÿ The children are taught using evidence based teaching methodologies**
- Ÿ The school has access to appropriate resources to aid learning**
- Ÿ The children wear a school uniform so they know they belong to our community**

We have a dream to make the school even better so the Vinjeru School Trust are raising funds to build more classrooms and facilities, train more teachers and even support children to attend school when their parents may not be able to afford the fees.
